NEW GOLFERS WANTED!!!

If you have ever thought about picking up a golf club, either for the first time or returning once again, you can make golf your sport of a lifetime. Bring a group of employees to learn this wonderful game together. What a great way to say thanks to your team or simply learn a new activity as a group. This offer is well worth the time and money, I guarantee it!

Program Purpose: To introduce a team/group of new players to the facility and the game through a low-key facility orientation and basic instruction on how to play golf. The program is intended to provide a perfect environment to accomplish a goal and grow your team as you learn about the golf course and the game together.

Program Schedule: A total of 3 hours of instruction in three 1-hour sessions at your convenience.

- Session 1: “At the Facility and On the Green”. A comprehensive facility tour, brief history of the game, terminology, components of a golf hole, equipment, and putting fundamentals.
- Session 2: “Around the Green and Driving the Course”. Putting review, safety, chipping, driving a golf cart, and golf course tour.
- Session 3: “Full Swing and Tee it Up”. Chipping review, full swing fundamentals, basic rules, play a hole, and the next step in instruction (Receive a \$10.00 discount certificate).

Program Cost: \$49.99 per person and can be tailor made to your group’s schedule. No set dates or times! Group size does not exceed 8 and golf clubs are provided complimentary.
