

ATTENTION ALLIANCE MEMBERS

Your current program will now be the Prepaid Greens Account. The P.G.A. will have the same Green and Cart Fee discounts as the past Alliance Membership, however, there will no longer be a "card" and this account will not be accepted in the restaurant. Also, the P.G.A. will be held at the Club where it was purchased and cannot be used at the Sister Club.

At the beginning of 2018, we will begin transferring your Alliance Card balances to your new Prepaid Greens Account. Please keep the Alliance Card until your new P.G.A. is confirmed in the system. Remember, the P.G.A. balance needs to be brought up to \$1,000 to receive the golf discounts for the 2018 season. Thanks for your support and if you have any questions please contact Chris Mowers at chris@nippolake.com
