Get Golf Ready – in Five Hours: If you have ever thought about picking up a golf club, either for the first time or returning once again, you can make golf your sport of a lifetime. The Get Golf Ready program is designed to teach you in four short lessons everything you’ll need to know to step onto a golf course and get out to play with confidence. Check out www.playgolfamerica.com/ggr/ for details.

Get Golf Ready LEVEL 2: GGR Level 2 is the next step for past Get Golf Ready participants or anyone with clinic and/or on-course experience. This clinic will go into more comprehensive detail in each of the teaching levels. The detailed instruction will include putting strategy, pitching and chipping “controls”, trouble shots, techniques for distance, and course management. The majority of the lessons will be conducted on the golf course while learning how to navigate and “behave” on the course.

*****Get Golf Ready Level Clinics** are limited to 5 students. The cost is **\$129.00** per student***

Junior Golf Camp: Chris will be conducting 1 Junior Camp for young beginning golfers between the ages of 7 and 11 years old. The camp instruction will be based around beginning golf FUN-damentals, putting, chipping, and full swing, in addition to etiquette and character values. The campers will play on the 3 mini holes created on the driving range to give the young golfers the concepts and understanding of how to play/behave on the course.

*****Junior Camp** is limited to 6 students per camp. The cost is **\$175.00** per student***

Advanced Golf Camp: Chris will be conducting 1 Advanced Golf Camp this summer. Although there is no age restriction, these camps are best suited for students who have been in previous junior or advanced junior camps. These camps will emphasize understanding swing mechanics, with lifetime drills to help develop each golfer. Rules and etiquette will be incorporated in daily lessons on both the driving range and the golf course. Daily instruction involves 2 hours minimum of on course work. ***All students must maintain pace of play on the course.*** Students will play in formats that are suitable for the level of the group. Students are expected to have their own clubs and enough interest in the game to show self-motivation to practice the skills taught. Fun is emphasized!

*****Advanced Camp** is limited to 5 students per camp. The cost is **\$200.00** per student***
